Dear Mr. Berry,

Missouri Right to Life Political Action Committee is pleased to endorse your candidacy for the 2016 general election for State Representative on November 8, 2016. This endorsement represents our selection of you as the only candidate in your race who will be an effective voice for the protection of innocent human life.

As you know, Missouri Right to Life is the leading pro-life advocacy organization statewide, representing thousands of pro-life Missourians. We are dedicated to promoting the right to life of all persons, especially those who are unborn, disabled or elderly. Legislation ensuring the right to life is crucial to achieving our goals; this, the election of pro-life candidates is of the utmost importance.

We take great care in choosing candidates to support in elections. In addition to survey responses and pro-life involvement in the community, we also consider past pro-life leadership, sponsorship and voting records both in committee and on the floor.

We thank you for your desire and efforts to protect the lives of the vulnerable in our society. We hope our efforts will be helpful to you and look forward to working with you in the days ahead.

Sincerely,
